

The diagram illustrates the conversion between feet and metres. The top line, labeled 'Feet', has markings at 200, 0, 500, and 1000. The bottom line, labeled 'Metres', has markings at 100, 50, 0, 100, 200, 300, and 400. Vertical tick marks connect the two lines at these intervals, showing that 1000 feet corresponds to 300 metres.
