

The diagram consists of two horizontal number lines. The top number line is labeled 'Feet' at the left end and has markings at 0, 500, and 1000. A bracket spans the entire length from 0 to 1000, with the text '1000 feet' written above it. The bottom number line is labeled 'Metres' at both ends and has markings at 100, 200, 300, and 400. A bracket spans the length from 100 to 400, with the text '300 metres' written below it. This visualizes that 1000 feet is approximately equal to 300 metres.
